Dear Mr. Heller,

Thanks to the generosity of the Ontario construction community, Rose Cherry's Home for Kids celebrated its Grand Opening on September 23rd, 2004. Over \$1 million in gift-in-kind was donated to the project which resulted in a state of the art hospice/respite centre that is able to accommodate the complex medical needs of children while at the same time creating a homelike environment.

Beginning this month we will be welcoming our first families at Rose Cherry's Home for Kids, providing extended weekend respite care. You can take pride in knowing that C & H Fire Suppression Systems Inc. has played a fundamental role in making this dream possible through your donation and installation of the sprinkler system.

A charitable tax receipt is enclosed in the amount of \$42, 830 as well as a cheque in the same amount for your donation to the project. Should you have any questions please do not hesitate to contact Kristin Horrell at 416-360-7673.

On behalf of the children and families who will use Rose Cherry's Home for Kids we thank C & H Fire Suppression Systems Inc. for your support.

With Appreciation,

**Rose Cherry's Home for Kids
