ATTENTION: Mr. Mike Heller

Dear Sir:

On behalf of Ainsworth Press Inc. and ourselves, we would like to take this opportunity to thank all of you for your efforts on the Ainsworth project. Your response to a tight tendering period and your expediting of both labour and material to achieve what has been accomplished in such a short time has been truly remarkable. We would ask you to extend our appreciation to your staff and your suppliers.

Yours very truly,

WALTER, FEDY, McCARGAR, HACHBORN
