Dear Sir,

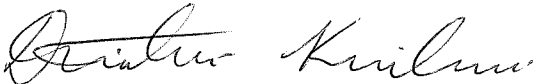

It is Lewis Builds standard practice to debrief all completed projects and rate the performance of all subtrades working on site. A select group of subcontractors are then chosen for special recognition.

We are therefore pleased to acknowledge your companies' exemplary performance on the Premier Fitness, Milton project. Lewis Builds would like to thank you for your dedication and persistence for a job that was difficult and time limited. Lewis Builds gives your company high marks for a job well done. This letter will be copied to our estimating department and your company will go on a list of preferred contractors. Lewis Builds looks forward to working with your company on upcoming projects.

Thank you again,

Marcos Barrera-Hernandez - Site Superintendent

Dimitri Kislanski - Project Manager
