District School Board**

PHYSICAL RESOURCES
Plant Maintenance And Construction

February 10, 1998

To Whom It May Concern:

Please accept this as a letter of reference for C & H Fire Suppression.

As Supervisor of Mechanical & Electrical Services, I have dealt periodically with Mike Heller from C & H Fire Suppression on two separate sprinkler installations.

One at Preston High S.S. in Cambridge and the other at Empire P.S. in Waterloo. Both jobs were completed within scheduled time lines and budget.

Custodial and Teaching staff were more than pleased to find their work areas clean and tidy after each days work.

Disruption to staff was minimal, if at all.

I would highly recommend C & H Fire Suppression for any sprinkler installations at any of our School sites.

Should you have any additional questions, please contact David Bebenek, at 570-0300 extension 4121.

Thank You,

D. Bebenek
