Gentlemen:

Re: Zehrs
Hiway Centre - Kitchener

I would like to express my appreciation for your good work, special effort and cooperation on the above project.

The job was allotted a short construction period and a few contractors did not comply to our needs, which shortened the time we had to work with even more. However, your good will and consideration made it possible to open the store as required by the Zehrs people.

It has been a pleasure to work with you and I hope to see you on future jobs.

Yours truly,

R. Waurick
Project Manager
