

## **JOURNEYPERSON SPRINKLER FITTER NEEDED!**

C&H Fire Suppression Systems Inc. is passionate about life safety, and we are looking for a licensed sprinkler fitter to join our Kitchener team.

We are a family owned, privately held company founded in 1985. We provide complete turn-key fire protection services to the industrial, commercial, institutional, and residential sectors of Ontario's construction industry, specializing in design-build projects.

If you're stuck in the concrete jungle of a big city, consider coming to Waterloo Region!

### **Job Description**

Your role involves installing, adjusting, and repairing sprinkler-based fire protection systems and piping for engineered systems. Much of your work is above-head and includes physical labour carrying and moving equipment and tools.

You will be required to train a sprinkler fitter apprentice as needed.

### **Job Skills & Qualifications**

- **MUST be a licensed Journeyperson Sprinkler Fitter, a member of UA Local 853 and registered with Skilled Trades Ontario (formerly OCOT).**
- Able to read and understand construction blueprints, diagrams, and specifications used in installation activities.
- Able to work in unusual and sometimes difficult positions such as climbing ladders, scaffolding and high lift equipment, working within ducts, crawl spaces, above ceilings, etc.
- Ability to adhere to, implement, and always follow safety guidelines and procedures.
- Ability to multi-task and prioritize work tasks.
- Professional attitude and ability to work closely and communicate well with coworkers, other trades and/or clients.

### **Compensation**

- Union-based salary paid weekly.
- Comprehensive Benefits Package including Medical, Health, Dental, Vision, LTD/STD, and Life Insurance.

### **We also offer:**

- ongoing training and management support,
- career growth opportunities,
- an open-door policy and relaxed environment, and
- company sponsored social events.

### **Hours based on union standards:**

Four 9-hour days per week.
