

PROJECT MANAGER – FIRE SPRINKLER SYSTEMS

C&H Fire Suppression Systems Inc. is a family owned, privately held company founded in 1985 with offices in Kitchener and London. We provide complete turn-key fire protection services to the industrial, commercial, institutional, and residential sectors of Ontario's construction industry, specializing in design-build projects.

We are passionate about life safety and are looking for an experienced Project Manager to join our Kitchener team.

Job Description

You will work closely with our designers, estimators, superintendents, forepersons and site personnel to develop plans, establish timelines, and determine labour and material costs for a project – all while staying within specifications and budget allowances.

Your role involves continuous communication with contractors, general, mechanical and electrical trades and industry suppliers to ensure a seamless roll-out of fire protection system installations.

You will be the go-to person for all things project-related for staff and for the client, developing a detailed plan to track progress, maintaining comprehensive project documentation, and utilizing appropriate measures and verification techniques to skillfully manage changes – if needed – in project scope, schedule and costing.

Job Skills & Qualifications

- Experience working in the fire sprinkler sector as a Project Manager is required.
- **MUST** be proficient with NFPA 13.
- Experience with HydraCAD / AutoCAD and hydraulic calculations an asset.
- Working expertise of 3D modelling design software (e.g., Revit) not required, but beneficial.
- Ability to multi-task and prioritize work tasks.
- Professional attitude and ability to work closely and communicate well with clients.

Compensation

- Negotiable – based on experience.
- Comprehensive Benefits Package including Medical, Health, Dental, Vision, LTD/STD, Life Insurance, and a Personal Spending Account.

We also offer:

- ongoing training and management support,
- career growth opportunities,
- an open-door policy and relaxed environment, and
- company sponsored social events.
